

4 QLC 75.3166

Review Staff: 75-3645/A

Date 12 December 1975

TO : CIA Task Force

FROM : The Review Staff,

STATINTL

SUBJECT : SSC/HSC Request

RECEIVED: Date Time

Attached you will please find the first on a series of case studies by the SSC staff. This will be either a chapter in their comprehensive, classified report or an appendix thereto.

The SSC staff requests the Agency's comments in writing on substance, judgment, style, etc. Although there is no mention of a deadline, we know that the SSC staff hopes to complete the major portion of their drafting by the end of the Christmas recess. We can shortly expect at least 14-15 more such studies.
